United Way Seeks Applicants to Lead New Collaborative Model

WHAT: United Way of Greater Toledo (UWGT) is seeking applicants, via a formalized RFP, to become a “lead partner” and head its programmatic community work in one of the three areas: financial stability, health or shelter / housing stability.

Recently, UWGT launched a new, “Collaborative Impact Model”, focused on creating deeper, interactive partnerships across Lucas County. Each collaborative will concentrate on a specific area within the existing UWGT umbrella: education, financial stability, health and shelter / housing. UWGT will lead the education collaborative. Lead partners will work with UWGT funded program leaders, community volunteers, experts and other key individuals.

Applicants must be passionate about our community and strive to build / leverage relationships to increase accessibility to life-changing social service programming.

WHO: Nonprofits, companies, businesses, community organizations, etc.

WHEN: Applications are due **March 1, 2019 by 5:00 p.m.**

Interested candidates are welcome to attend an information session on **Jan. 18 from 9:00-10:00 a.m.** at United Way: 424 Jackson St., Toledo, OH 43604

WHERE: Applications can be digitally submitted online at unitedwaytoledo.org/RFP
